This information to be entered into the Club Diary showing details and times and an appropriate marker must be found.

If the Opponent has not be contacted by the Challenger at least **SEVEN** days before the closing date of the relevant round he/she must make every effort to ensure that the match is played on time. The Competition Secretary, Captain, or a Vice Captain **MUST** be advised of the **OPPONENT'S** need to contact the **CHALLENGER**.

The Competition Secretary shall have the right to **DISQUALIFY** offending Players if the matches are not played by the due closing date.

In the event of any match not being completed due to unforeseen circumstances the Competition Secretary will have sole discretion in determining the result of the match

All 4 **BOWL** matches will be 21 UP. The 2 **BOWL** match will be played over 21 **ENDS** and *only Bowls within 1 metre of the jack will count*. Two trial ends will be allowed. **NO PLAYER** must have played on the rink on the day of the match.

HANDICAPS

In handicap matches the smaller figure is subtracted from the higher, that difference is then added to 21 .viz a 4 Handicap player against 7 handicap = 3 difference so that the 7 Handicap player would need to score 24 shots to win the game.

In the **TWO WOOD** Competition the handicap difference is halved. Any fractions are to be ignored. If neither player is within one metre of the jack the end still counts it is suggested therefore that the handicap difference is put on the board at the start of the game. In the event of the scores being tied after 21 **ENDS** extra ends must be played until a result is achieved

Only **THREE** Competitions are allowed on the Green in the morning and afternoon sessions. **FOUR** may be booked in the evenings. **SPECIFIC RINKS** may **NOT** be pre-booked except for external competitions (see notes in front of Booking Diary)

**IN THE EVENT OF ANY DISPUTE THE DECISION OF THE COMPETITION
SECRETARY IS FINAL.**
